

Welcome to **ECOBORD INDUSTRIES LIMITED**

About us

Company Profile

ECOBORD INDUSTRIES LIMITED bearing CIN L24239MH1991PLC064087 is a BSE listed Company incorporated on 20th November, 1991 in accordance with the provisions of the Companies Act, 1956.

Ecoboard has two divisions:

Division A: EcoBoard Division, Manufacturing of Building Materials using Agro-waste.

The “EcoBoards” are 100% Agro-based with CO₂ sink and a versatile all-purpose board for making Building materials like Doors, Walls, Floors, Ceiling, Mezzanine, Cold-storage etc.

The Company has been able to successfully develop sustainable products using agro-fibres to make Building materials.

Division B: Energy Division, Engineering division with focus in generating Energy from Solid, Liquid Waste with technologies like CSTR, CPU, UASB, Bio-CNG etc. for Industries related to Distilleries, Dairy, Pharma, Agro-based, Food-processing etc.

With technical assistance from Sulzer Chemtech Ltd., Switzerland the company manufactures waste water treatment plants which handle toxic residues spent wash and effluent of obnoxious nature from distilleries and transform bio gas, by product of the treatment process into fuel, i.e., turning waste water to wealth.

The Company is committed to fortify Agro residue boards Industry if allowed to survive and sustain, with a highly productive and progressive vision and mission to make Indian farmers prosperous.

Our professionally qualified team create efficient Agro solutions for our consumers by carefully observing and listening to their requirements and surpassing their expectations.

Our goal is to deliver Optimal capacity utilization, logistics, connectivity of distribution system by setting up nodal service centres at strategic locations across India and a swift delivery module by maintaining stock of finished goods at centres and unique solutions that collectively give added value to our consumers. We are customer centric. We focus on our clients, as individuals, and as a company. We embrace possibilities and progress.
