Chairman's Communiqué

Dear Shareholders, Members of the Board, Associates, Ladies and Gentlemen,

I welcome you all to this 28th Annual General Meeting of our company. The meeting is taking place in the midst of revival for the company. Company's new products in both divisions i.e. "Bio-Panels" and "Bio-Energy" aimed at new markets, started generating revenues from new Industries. The company's turnover has increased significantly. Company's sincere efforts to monetize its non-core assets have finally progressed in positive direction and substantial payment has been received, which enabled the company to reduce the Bank's exposure. In addition, some more funds have been raised to make the payments of both Banks State Bank of India and Bank of Maharashtra which are irregular.

ECOBOARD's new products like Sustainable Building Materials (Internal Walls, Solid Core Doors, Raised Flooring, Ceiling etc.,) have been installed in Projects of reputed customers. Company could restore its production and executed the projects. Similarly, the Biogas Division has also got large orders from Dairy and Distilleries. Company is aggressively pursuing opportunities in "*Swatch-Bharat*" mission. These new products and technologies of both divisions have opened up new markets for ECOBOARD.

Awareness among customers about use of Sustainable products is creating significant interest on use of ECOBOARD's Products. With intention of directly reaching to end customers, we have develop customized solutions with advanced technical features like termite-proof, Solid Core, Moisture-resistant. Company's perseverance on its sustainable products highlight our philosophy, capability and dedication towards providing the world with more 'ecologically' and 'economically' viable sustainable products and solutions. I truly thank each one of you for your long-standing support and take pride in being part of this noble mission.

I sincerely acknowledge with thanks your support in our endeavor to Sustain and Grow ECOBOARD Industries.

Thanking You,

Sincerely,
Ramakrishna Raju Guttumukkala
Chairman & Managing Director

“ANNEXURE E”**Form No. MR-3****SECRETARIAL AUDIT REPORT**

[Pursuant to Section 204(1) of the Companies Act, 2013 and
Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

FOR THE YEAR ENDED ON MARCH 31st 2019

To

The Members,

ECOB[®]BOARD INDUSTRIES LIMITED.65/1A, “ECOH[®]HOUSE”, AKARSHAK BUILDING,

OPP. NAL STOP, OFF. KARVE ROAD,

PUNE 411004.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by ECOBOARD INDUSTRIES LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Management's Responsibility

Management is responsible for the preparation and filing of all the forms, returns, documents for the compliances under the Companies Act, 2013, regulations laid down by Securities and Exchange Board of India, Environment (Protection) Act, 1986 and Rules made there under listed hereinafter, and to ensure that they are free from material non-compliance, whether due to fraud or error.

Secretarial Auditor's Responsibility

Secretarial Audit is a process of verification of records and documents on sample basis to check compliance with the provisions of laws and rules/procedures under the Companies Act, 2013, regulations laid down by Securities and Exchange Board of India, Environment (Protection) Act 1986 and Rules made there under listed hereinafter. The procedure for secretarial audit is selected on the secretarial auditor's judgment, including the assessment of the risks of material non-compliance of the documents filed. In making those risks assessments, the secretarial auditor considers internal control relevant to the Company's preparation and fair presentation of the documents in order to design secretarial audit procedures that are appropriate in the circumstances. My responsibility is to express an opinion on the secretarial compliances of the aforesaid laws done by the Company on the basis of our audit. I have conducted my audit solely on the basis of the compliances and filing done by the Company under the aforesaid laws. Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March 2019 complied with the statutory provisions listed hereunder and also as represented to me by the management of the company, that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2019 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under: The Company is a Listed Public Company and around 88.69% of the shares are in dematerialized form and the Company

has complied with the provision of The Depositories Act, 1996 and the Regulations and Bye-laws framed there under.

- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. Employees Provident Fund & Miscellaneous Provisions Act, 1952
- vi. Payment of Gratuity Act, 1972
- vii. Payment of Wages Act, 1936
- viii. Employees State Insurance Act, 1948
- ix. Payment of Bonus Act, 1965
- x. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015;
 - b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 **(Not applicable to the Company during the Audit Period);**
 - c) The erstwhile Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992, and Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 **(Not applicable to the Company during the Audit Period);**
 - e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. **(Not applicable to the Company during the Audit Period);**
 - f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 **(Not applicable to the Company during the Audit Period);**

 - i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(Not applicable to the Company during the Audit Period)**

I have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India. Secretarial Standards have been approved by the Government of India for implementation during the financial year 2015-16. Hence the current para is applicable for the year under audit.
- ii. The erstwhile Listing Agreement entered into by the Company with stock exchanges and The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 notified with effect from 1st December 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except the observations/ qualifications mentioned in "**Annexure I**":

I further report that,

The Board of Directors of the Company is duly constituted with optimum balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notices were given to all directors to schedule the Board Meetings, agenda and notes to agenda were sent at-least seven days in advance except for a board meeting held as on 21st July 2018 which was scheduled on shorter notice and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions/major decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be, while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period the company has not taken any action/events having major bearing on the company's affairs.

SEBI (LISTING OBLIGATION AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

Sr. No.	Qualifications/Observations By Secretarial Auditor	Comments By The Board Of Directors
1.	During the year company has not paid listing fees to the Stock Exchange as required under Regulation 14.	Because of the low volume of the business, the company was not able to pay it within time but now we are planning to pay it as soon as possible because now the cycle of business is moving for the company and the company is able to generate volume of business.
2.	It has been observed during the Audit period that, there were few instances where members of Audit Committee as disclosed to the Stock Exchange were not the members of said committee in that particular quarter, however the composition of Audit Committee was duly constituted during the year.	The company has to file corporate governance report in every quarter and specifically in one quarter, in the details about the composition of Audit committee – the name of one Independent Director was mentioned wrong. This came into our notice during the Secretarial audit period and now we are in a process to file the corporate governance report for that particular quarter.

3.	As required under Regulation 27(2), company is required to submit Corporate Governance Report on quarterly basis to the Stock Exchange within Fifteen days from close of each quarter; the same has not been complied for 1st Quarter ended 30th June 2018.	Your company is always punctual in submissions to the Stock exchange. For this particular quarter, due to inadvertence the corporate governance report was filed to the stock exchange but beyond the prescribed time limit. Hence, your company has done late compliance.
4.	As required under sub-regulation (6) of regulation 30, the company shall give disclosures to stock exchange(s) of all events as specified in Part A of Schedule III. Company has not informed to the Stock Exchange Change in key managerial personnel (Company Secretary) and Compliance Officer as prescribed in para (A) sub para (7) of Part A of schedule III.	Your company has updated the stock exchange about the resignation of Company Secretary within the prescribed time. The company has also intimated the stock exchange about the appointment of new Company Secretary and the same can be seen in the section of "Corporate information" on the BSE web portal by searching the name of your company. However, the same information has inadvertently missed out to be filed to the stock exchange under sub-regulation (6) of regulation 30 read with Part A of Schedule III of SEBI (LODR) Regulations, 2015. This observation is particular about the non-compliance of the said regulation and the stock exchange already has the updated information about the present Company Secretary of your company.
5.	As required under sub-regulation (6) of regulation 30 the company shall give disclosures to stock exchange(s) of all events as specified in Part A of Schedule III. Company has not informed to the Stock Exchange about proceedings of General Meeting as prescribed in para (A) sub para (12) of Part A of schedule III.	The said compliance was missed out inadvertently by the Secretarial Department of your company due to transition phase in the said department after Annual General Meeting. However, the company has no specific intention for the said non-compliance.
6.	Company has not complied with the Regulation 30 (8) which prescribes to disclose on company's website all such events or information which has been disclosed to stock exchange(s) under that regulation, and such disclosures shall be hosted on the website of the listed entity for a minimum period of five years.	Your company is in a process of migrating to a new version of its website that's why in our current website; few items are yet to be updated. All the requirements will be updated as soon as possible.
7.	As prescribed under Sub Regulation (1) of Regulation 31; Company was required to submit Shareholding Pattern within 21 days from close of each quarter; the same has been submitted later than the due date for fourth Quarter ended March 2018.	Your company is always punctual in submissions to the Stock exchange. For this particular quarter, due to inadvertence the Shareholding Pattern was filed to the stock exchange but beyond the prescribed time limit. Hence, your company has done late compliance.
8.	Company does not have a functional website therefore has failed to comply with the regulation 46.	Your company is in a process of migrating to a new version of its website that's why in our current website; few items are yet to be updated. All the requirements will be updated as soon as possible.
9.	During the year under review Company has not published any advertisement in the newspaper as required under Regulation 47.	Your company has complied with Regulation 47 partially i.e. we have published in some quarters. During the Secretarial audit, we are unable to show Secretarial Auditor, the newspaper cutting as we have misplaced it in our records but we have assured him that we will submit him the newspaper cutting as soon as possible.

SEBI (DEPOSITORIES AND PARTICIPANTS) REGULATIONS, 1996

REGULATION NO.	Qualifications/Observations By Secretarial Auditor	Comments By The Board Of Directors
55A (Reconciliation of Share Capital Audit)	Under this regulation listed companies are required to submit Reconciliation of Share Capital Audit Report on a quarterly basis to the stock exchanges audited by a qualified chartered accountant or a practicing company secretary, within 30 days from the end of the Quarter.	Your company is always punctual in submissions to the Stock exchange. Particularly for these two quarters, due to inadvertence the Reconciliation of Share Capital Audit was filed to the stock exchange but beyond the prescribed time limit. Hence, your company has done late compliance.

ANNEXURE TO BOARDS' REPORT

A. MANAGEMENT DISCUSSION AND ANALYSIS

About The Company

Ecoboard deals in laminated EcoBoard boards made from agri-residues and anaerobic waste water treatment plants for distilleries.

The Ecoboards are 100% wood free and a versatile all purpose board meant to be a alternative to conventional wood based MDF, Particle boards, plywood and other panel products.

With technical assistance from Sulzer Chemtech Ltd., Switzerland the company manufacturers waste water treatment plants which handle toxic residues spent wash and effluent of obnoxious nature from distilleries and transform bio gas, by product of the treatment process into fuel, i.e turning waste water to wealth.

Manufacturing Process Of Bagasse Boards:

A lot goes into the process of manufacturing Ecoboards. Bales of agro-waste, received from agro-processing factories are elaborately processed, blended, resin with fibers, machine pressed, screened, layered into sheets, checked and graded to reconfirm quality. This is followed by a secondary process of decorative covering with textured melamine gas treated design using short cycle laminating process. The end product, manufactured from agro residue such as sugarcane bagasse, stalk of cotton, bajra, tur, corn etc. is cent-percent wood free, sturdy, durable, easy to maintain, abrasion resistant, eco friendly, moisture resistant, dimensionally stable, termite resistant, fire retardant, and also cost effective.

Manufacturing facilities:

The company had initially set up two manufacturing facilities situated at Velapur near Solapur district and at Jambhulwadi in Sangli district respectively keeping in mind the assured raw material supply. However due to unavailability of bagasse for reasons recorded elsewhere, the Plant at Jambhulwadi had been closed down since April 2010.

The Velapur plant is spread over 90 acres of land and has a production capacity of 36 lacs m2 per annum. Furthermore it has sophisticated and automated plant and machinery imported from Germany and UK. Your Company has taken up the work of setting a new production line at its Velapur unit for production of 8'x4' size EcoBoard boards from agro-waste and of improving material preparation section of existing line of 13.5'x6' size EcoBoard boards production line.

The case for Ecoboard

Philosophy and Environmental outlook

Ecoboards are made from any form of agricultural waste and converted into good quality EcoBoard/fibre board for application to the doors, office furniture, home furniture, school furniture, wall paneling, commercial buildings, floors etc. as against the wood based boards use of which has caused enormous depletion of forest cover thus damaging the environment and contributing to adverse climate change.

Risks – Agro-waste as a raw material

The main risk is of availability of raw material in required quantity and at economic price, agro-waste is being used captively by the sugar factories for steam generation and for generation of electricity. With a power shortage in Maharashtra State the pressure on sugar factories to generate electricity would be high and to that extent availability of agro-waste and its price would be a constant concern.

Today agro-waste in Maharashtra is available for particle board industry at over Rs. 3300/T excluding landing cost plus GST which is industry irrelevant. It is ironical to note that the by product itself is now available at a higher price than sugar cane where once the disposal of bagasse itself was a problem. Plywood which

is conventionally used is still encouraged and continued by the public at the cost of depleting forest cover and tree resources due to lack of Govt. clear direction despite ban on expansion of plywood industry by the Hon'ble Supreme Court.

Industry synopsis

Over the period globally plywood industry is losing its base and alternative materials are getting used over wood products due to development of a conscious public mind to conserve forest wealth. Industry aims to reduce 50% plywood use in this decade while substituting particle board industry to reach 50% requirement.

Agro residue boards Industry if allowed to survive and sustain, shall help the country encourage to set up at least 1000 units in rural India wherein use of non conventional renewable agri-residues shall replace wood/tree resources in next 20 years. In addition to serve the environmental cause, the industry supports and encourages rural employment and rural development and brings sizeable revenue to the poor farmers through sale of agro-residue which is otherwise burnt in the field causing enormous carbon emissions.

Risk aversion initiatives

In view of High Bagasse price your Company has taken up the works of for improving material preparation section of particle boards of 13.5'x6' size production line and has been completed.

Management's decision of Modification of existing line of 13.5' x 6' boards resulted in:-

- a) Reduction in our cost of Production on account of reduction in power consumption by at least 25%.
- b) Reduction in ratio of Raw material consumption and inputs.
- c) Reduction in manpower on account of automation.

Efforts are made through the all India agro board association which has asked the government to allot / ensure adequate supply of bagasse for particle board industries.

Optimal capacity utilization, logistics, connectivity of distribution system by setting up nodal service centers at strategic locations across India and a swift delivery module by maintaining stock of finished goods at centers these are the key elements in our road map for achieving growth targets. The GST implication in near future will further help the Companies growth prospects by easy logistics points in other states.

Trends – technological challenges, new developments

The developed countries like Japan USA, had imposed formaldehyde free norms/directions for living environments due to the importance of lowering CO2 emissions and reducing toxicity. Other countries are following with the support of local/national governments.

The production process will have to be in conformity with the ISO 2001 certification norms in future. New techniques are being invented to produce boards which are both fire and water resistance.

The boards are being made are fully (100%) recyclable or reusable to an equal product in order to fulfill the **Cradle to Cradle (C2C)** concept.

With the increasing globalization there is a need to standardize the product at par with the international standards. This would enhance the product life, meet the users need and benefit economically for the user.

Process improvement in par with ISO standards would bring environmental consciousness among the users groups and aid in Internationalization of R & D to in the industries.

Company has already started the process to increase in the revenue by overcoming raw material problems and by adopting new technology which helps to minimize production cost. Your Company is in process of Finalizing the Prospective Buyer to sale out Jambhulwadi plant and sale proceeds for the same shall be utilized to modernize facilities at Velapur plant and to reduce working capital loans.

Internal Control Systems

Adequate internal control systems are in place in all areas of operation to ensure safeguarding of assets against loss from unauthorized use or disposition and the same are being continually reviewed and strengthened wherever necessary. Such systems have also been developed to ensure adherence to policies and systems and mitigation of the operational risks covering each area under review. The organization is well structured and the policy guidelines are well documented with pre defined authorities. The company has also implemented suitable controls to ensure that all resources are utilized optimally, financial transactions are reported with the accuracy and there is a strict compliance with all applicable laws and regulations.

Corporate Social Responsibility

As a matter of fact there is no formulated written CSR Policy in place. The Board invariably has

- 1) Planted trees as part of Govt of Maharashtra's drive.
- 2) Schools furniture for Government schools.
- 3) Medical and Food camps for the annual event "Wari" attended by lakhs of pilgrims.

The Company developed a strategy to provide a roadmap for its CSR activities over the period and after passing of the Companies Act, 2013 in particular, which has become an integral part of our business strategy over a decade or so.

As a good corporate citizen, we recognize and perform the obligations towards our employees, investors, customers, suppliers, competitors and the community as a whole. We believe our reputation, together with the trust and confidence of those with whom we deal, to be one of our most valuable assets. We strongly believe that integrity in dealings with stakeholders is a prerequisite for a successful and sustained business relationship.

Environment

As the products of the Company are eco-friendly and fired by a passion of protecting the environment, the company believes that, by nature, our operations have a minimal impact on the environment. In the course of our operations we seek to identify opportunities to reduce/ keep it at minimum consumption of energy, water and other natural resources. We also strive to re-use and recycle where possible and dispose of non-recyclable items responsibly, thereby minimizing impact on the environment.

Human Resources / Industrial Relations

The Company has a fully functional human resource department taking care of human force in the Company. Company has taken effort for human resource development. INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF ECOBOARD INDUSTRIES LIMITED

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **Ecoboard Industries Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2019, the Statement of Profit and Loss, including the statement of Other comprehensive income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2019, and its loss, total comprehensive income, its cash flows and the statement of changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditors' Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

A. Going Concern

Description of Key Audit Matter

The availability of sufficient funding and the testing of whether the company will be able to continue meeting its obligations under the financing covenants are important for the going concern assumption and, as such, are significant aspects of our audit. This test or assessment is largely based on the expectations of and the estimates made by management. The expectations and estimates can be influenced by subjective elements such as estimated future cash flows, forecasted results and margins from operations. Estimates are based on assumptions, including expectations regarding future developments in the economy and the market.

Description of Auditor's Response

We have used our own expertise in evaluating the assumptions and forecasts made by the management. We have specifically devoted attention to the assumptions made with respect to the future cash flow in order to assess the Company's ability to continue meeting its payment obligations and its obligations under the financing covenants in the year ahead.

We draw attention to Note 27 to the financial statements relating to the uncertainty about the Going Concern assumption. The Company has accumulated losses in excess of its paid up capital and reserves. Its net worth has been fully eroded. The Company is incurring continuous losses for past few years. Capacity utilisation in its particle board business is insignificant. Company is struggling to mobilise funds for its working capital. These conditions may indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis for the reasons stated below:

- (i) Company has entered into Agreement for sale of its land and buildings at Jambhulwadi. Money raised from this sale will be available for reduction of bankers dues and augmenting working capital funds and net worth of the Company.*
- (ii) Company has repaid during the year dues of one bank as per settlement arrived at with the bank and also given One Time Settlement proposal to another bank which is under consideration of the said bank.*
- (iii) Company's Bio-Systems division has performed well during the current year and is having orders in hand for the next year.*

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis and Board's Report including Annexures to Board's Report (the "reports"), but does not include the financial statements and our auditors' report thereon. The reports are expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the reports, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate,

to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Material uncertainty related to Going Concern

We draw attention to Note 27 to the financial statements relating to the uncertainty about the Going Concern assumption. The Company has accumulated losses in excess of its paid up capital and reserves. Its net worth has been fully eroded. The Company is incurring continuous losses for past few years. Capacity utilisation in its particle board business is insignificant. Company is struggling to mobilise funds for its working capital. These conditions may indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the financial statements of the Company have been prepared on a going concern basis for the reasons stated below:

- (i) Company has entered into Agreement for sale of its land and buildings at Jambhulwadi. Money raised from this sale will be available for reduction of bankers dues and augmenting working capital funds and net worth of the Company.
- (ii) Company has repaid during the year dues of one bank as per settlement arrived at with the bank and also given One Time Settlement proposal to another bank which is under consideration of the said bank.
- (iii) Company's Bio-Systems division has performed well during the current year and is having orders in hand for the next year.

Our opinion is not modified in respect of the above matter.

Material uncertainty related to Going Concern

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of the written representations received from the directors as on 31st March 2019 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B; and Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit & Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 31(A)(b) to the financial statements;
 - (ii) The Company did not have any long-term contracts including derivative contracts that may result in material foreseeable loss.
 - (iii) Currently there are no amounts held by the Company that are required to be transferred to the Investor Education and Protection Fund hence we do not comment on the same.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial Controls over financial reporting of **ECOB[®]BOARD INDUSTRIES LIMITED** ('the Company') as of 31st March, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for the establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the

Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India."

NOTES FORMING PART OF THE FINANCIAL STATEMENTS For the year ended 31st March 2018**A. CORPORATE INFORMATION:**

Ecoboard Industries Limited 'the Company' was incorporated in India on 20th November, 2011.

Ecoboard deals in two business lines- (i) Laminated particle boards made from agri-residues mainly bagasse and (ii) Anaerobic waste water treatment plants for distilleries and other industries.

The bagasse boards are 100% wood free and versatile all purpose board meant to be an alternative to conventional wood based particle boards, plywood and other panel products.

B. SIGNIFICANT ACCOUNTING POLICIES:

- a) **Basis of preparation of financial statements:** These financial statements have been prepared in accordance with IND AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 and Rule 7 of the Companies (Accounts) Rules, 2014 ("Indian GAAP").

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The financial statements have been prepared on accrual basis under historical cost convention except for certain assets and liabilities which have been measured at fair value amount.

Company's financial statements are presented in Indian Rupees, and values are rounded to the nearest lakh, except when otherwise indicated.

b) **Summary of Significant accounting Policies**

- i) **Use of estimates:** The preparation of financial statements in conformity with Ind AS requires that the management of the company make estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment, intangible assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans and fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known. The preparation of financial statements requires estimates and assumptions. Differences between the estimates and actual results are recognized in the period in which the same are known.

ii) **Property, Plant and Equipments:**

Property, Plant and Equipments are stated at cost, net of recoverable taxes, trade discount and rebate less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any other directly attributable to bringing the assets to its working conditions for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets. In case of land the Company has availed fair value as deemed cost on the date of transition to Ind AS. Subsequent costs are included in the asset's carrying amount or recognised as separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and cost can be measured reliably.

iii) **Depreciation:**

Depreciation on Property, Plant and Equipment is provided at the rates determined in accordance with the provisions of the Companies Act, 2013. Depreciation on tangible assets is provided on the straight line method as prescribed in Schedule II to the Companies Act, 2013 over the remaining useful life of the assets.

iv) **Lease**

Lease are classified as finance lease whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other lease are classified as operational lease.

Leased Assets:- Assets held under finance lease are initially recognised as Assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as the finance lease obligation. Lease payments are apportioned between finance expenses and reduction of lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss as, unless they are directly attributable to

qualifying assets, in which case they are capitalised. Contingent rentals are recognised as expenses in the year in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is reasonable certainty that the Company will obtain ownership by the end of lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognised as an expenses in the statement of Profit and Loss on straight line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from leased assets are consumed.

v) Finance Cost

Borrowing cost include exchange difference arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing cost that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowing pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the statement of Profit and Loss for the period for which they are incurred.

vi) Inventories

(a) Stocks of raw-materials, packing materials, stores & spares are valued at cost.

(b) Stock of work-in progress is valued at cost.

(c) Finished goods are valued at lower of cost and net realisable value after providing for obsolescence, if any. Cost of work-in-progress and finished goods comprises of cost of purchase, cost of conversion and other cost including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and conditions.

vii) Impairment

(i) Financial Assets (Other than at fair value)

The Company assess at each reporting date as to whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. In determining the allowances for doubtful trade receivables, the Company has used a practice expedient by computing the expected credit loss allowances for trade receivables based on provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and allowance rates used in the provision matrix. For all other financial assets, expected credit losses are measured at an amount equal to 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii) Non-Financial Assets-Property, Plant and Equipment and Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of Assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the assets belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated cash flow, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

viii) Provisions

Provisions are recognised when the Company has present obligation (legal or constructive) as a result of a past event, if it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

ix) Employee Benefits Expenses**Short Term Employee Benefits**

Employee benefits payable wholly within twelve months of rendering of service are classified as short term employee benefits and are recognised in the period in which the employee renders the related service.

Post-Employment Benefits**Defined Contribution Plans**

Contribution to Provident fund and superannuation fund, which are defined contribution schemes, are recognised as an employee benefit expenses in the statement of Profit and Loss in the period in which the contribution is due.

Defined Benefit Plans

The liability in respect of gratuity and other post employment benefits is determined on actuarial valuation using the projected unit credit method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Remeasurements, comprising of actuarial gains and losses, the effect of the assets ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with corresponding debit or credit to retained earnings through other comprehensive income (OCI) in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

x) Tax Expenses

The tax expenses for the period comprises of current tax and deferred income tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the Other Comprehensive Income or in equity. In which case, the tax is also recognised in Other Comprehensive Income or Equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance Sheet date.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the assets realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period. Deferred tax represents the effect of temporary difference between carrying amount of assets and liabilities in the financial statement and the corresponding tax base used in the computation of taxable income. Deferred tax liabilities are generally accounted for all taxable temporary differences. Deferred tax assets is recognised for all deductible temporary differences, carried forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which such deductible temporary differences can be utilised.

xi) Foreign currency transactions and balances

Transactions in foreign currency are recorded at exchange rates prevailing at the date of transaction. Exchange difference arising on foreign exchange transactions settled during the year are recognised in the statement of profit and loss of the year.

Monetary assets and liabilities denominated in foreign currencies which are outstanding as at reporting period are translated at the closing exchange rates and the resultant exchange differences are recognised in the statement of Profit and Loss.

Non monetary assets and liabilities denominated in foreign currencies that are measured in terms of historical cost are translated using the exchange rate at the date of transaction.

xii) Provisions and Contingencies

A provision is recognised when the company has present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligations and a reliable estimate can be made of the amount of obligation.

Contingent liability is disclosed in case of

- a present obligation arising from past events, when it is not possible that an outflow of resources will be required to settle the obligation.

- Present obligation arising from past events, when no reliable estimate is possible.

- a possible obligation arising from past events where the probability of outflow of resources is not remote.

Contingent assets is not recognised in the financial statements. A contingent asset is disclosed, where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

xiii) Non current assets held for sale

Assets held for sale are measured at the lower of carrying amount or fair value less cost of sell. The determination of fair value less cost to sell includes use of the Management's estimates and assumptions. The fair value of assets held for sale has been estimated using valuation techniques (including income-and-market approach) which include unobservable inputs. Non-current assets and disposal group that ceases to be classified under 'Held for Sale' shall be measured at the lower of carrying amount before the non-current asset and disposal group were classified under 'Held for Sale' and its recoverable amount at the date of subsequent decision not to sell. Recoverable amount of assets reclassified from 'Held for Sale' have been estimated using the Management's assumptions which consist of significant unobservable inputs.

xiv) Revenue recognition

Revenue from sale of goods is recognised when the significant risk and reward of ownership have been transferred to the buyer, recovery of consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or management involvement with the goods, and the amount of revenue can be measured reliably.

Effective 1st April, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e. 1st April, 2018). The standard is applied retrospectively only to contracts that are not completed as at the date of initial application and the comparative information in the Statement of Profit and Loss is not restated-i.e. the comparative information continues to be reported under Ind AS 18 and Ind AS 11. The impact of adoption of the standard on the financial statements of the Company is insignificant.

In respect of fixed price contract, Company uses the percentage of completion method of accounting. Use of the percentage of completion method requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity.

Provision for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date.

Contract assets are recognised when there is excess of revenue earned over billing on contracts. Contract assets are classified as unbilled receivable (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Unearned and deferred revenue ("Contract liability") is recognised when there is billing in excess of revenues.

Revenue from operations is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payments and excluding taxes or duties collected on behalf of government.

Interest income

Interest income from financial assets is recognised using effective interest rate method.

Dividend Income

Dividend income is recognised when the Company's right to receive the amount has been established.

- xv) **Derecognition of financial liabilities:** The company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit and loss.

xvi) **Earning per share**

Basic earning per share is computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The Company did not have any potentially dilutive securities in any of the years presented.

Notes Forming Part of The Financial Statements For the year ended 31st March, 2018**Rs. in Lakhs****27. GOING CONCERN ASSUMPTION**

The Company has accumulated losses in excess of its paid up capital and reserves. Its net worth has been fully eroded. The Company is incurring continuous losses for past few years. Capacity utilisation in its particle board business is insignificant. Company is struggling to mobilise funds for its working capital. These conditions may indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.

However, the financial statements of the Company have been prepared on a going concern basis for the reasons stated below:

- (i) Company has entered into Agreement for sale of its land and buildings at Jambhulwadi. Money raised from this sale will be available for reduction of bankers dues and augmenting working capital funds and net worth of the Company.
- (ii) Company has repaid during the year dues of one bank as per settlement arrived at with the bank and also given One Time Settlement proposal to another bank which is under consideration of the said bank.
- (iii) Company's Bio-Systems division has performed well during the current year and is having orders in hand for the next year.

28. SECURITY CLAUSE:**(i) Security:**

Working capital loans from consortium of bankers are secured by first charge on the Company's current assets, present and future, including stocks, goods in process, goods in transit, receivables and book debts.

These loans are further secured by pari passu charge by joint equitable mortgage of immovable properties of the Company situated at village Jambhulwadi in district Sangli and at village Velapur in district Solapur in Maharashtra.

The above loans are further secured by personal guarantees of some of the Directors of the Company.

(ii) Continuing defaults:

Interest aggregating Rs. 759.44 lakh (Previous year Rs 615.40 lakh) payable on short term borrowings from banks was in continuing default as on the balance sheet date.

29. SETTLEMENT OF DUES OF STATE BANK OF INDIA

During the year, the Company agreed for One Time Settlement of dues of State Bank of India and repaid the amount as per terms of OTS Scheme of the bank.

In view of above mentioned settlement, the company has written back interest liability provided upto 31/03/2018 amounting to Rs 125.59 lakh as no more payable. The said amount is credited to the profit & loss account as exceptional item of income.

The Company has also written back loan liability amounting to Rs 73.46 lakh as amount no more payable. The said amount of write back is credited to the profit & loss account as exceptional item of income.

30. DISCLOSURE IN ACCORDANCE WITH IND AS-17 "LEASE"**Operating Lease:**

The Company has taken office premises under leave and license agreement. It is 11 months to 36 months B14 leave and license basis. These agreements are renewable by mutual consent on mutually agreed terms. Under Some of these agreements the Company has given refundable security deposits. The lease payments are recognised in the Statement of Profit and Loss under rent account.

Further minimum committed lease rentals are given as follows:

	2018-19 Rs./ lakh	2017-18 Rs./ lakh

	2,981.52	2,769.97

The Company has unabsorbed business losses/depreciation. However, management of the Company is not very sure that the future taxable profit may be available to set off deferred tax assets due to continuous losses. Accordingly, management of the Company has decided not to recognise deferred tax assets till the time there is reasonable probability of future taxable income.

Significant management judgement has been considered in determining the provision of income tax, deferred tax assets and liabilities and recoverability of deferred tax assets. The recoverability of deferred tax assets is based on estimate of the taxable income for the period over which deferred tax assets will be recovered.
